HEALTH CHECKS

Under the current Omicron Response plan, if you test positive for Covid-19, you will receive an automated text from [2328] and directed to a website with instructions on what you need to do.

MEDICINES

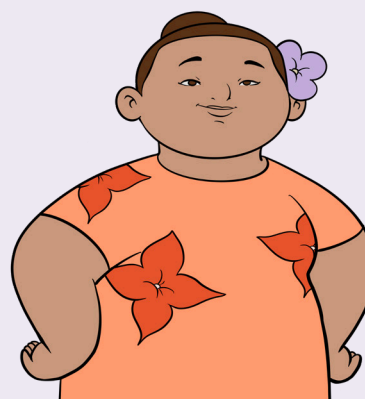

If you need medication, contact your GP/doctor and let them know that you are in home quarantine. Ask your GP to send your prescription to a pharmacy, who can deliver the medicine to your home. Your GP can check a list of pharmacies that can do this.

FOOD ASSISTANCE

If you can, order your groceries and supplies online, or ask family or friends to drop off food. If you need help with food or other supplies, contact the COVID-19 Welfare line: 0800 512 337.

FINANCIAL ASSISTANCE

You may be eligible for the COVID-19 Leave Support Scheme if you have tested positive and are sick with Covid-19, and you cannot work from home. Your employer needs to apply for you. You can also apply if you are self-employed. For more details go to: <https://covid19.govt.nz/isolation-and-care/financial-support>
